Excerpt from Journal

Office of the Legislative Counsel

Wednesday - 19 June 1963

1. Met with Mr. Cannon, at the Director's request, indicating to Mr. Cannon that the Director was most interested in the point raised by Mr. Cannon at the Monday meeting of the Subcommittee concerning review by the DCI of the budgets of other intelligence components. I indicated that the Director certainly wished to cooperate with the Subcommittee in this matter but would like Mr. Cannon to furnish his views on this subject in a letter. I pointed out to Mr. Cannon that from the Agency viewpoint the letter could be addressed to the Agency, to the Bureau of the Budget, or to the President as Mr. Cannon felt appropriate. Mr. Cannon stated that this was an important matter and he hoped that such review could eliminate possible duplications. He said he would be happy to prepare a letter on this subject and indicated he would send it to the Director. Mr. Cannon added that he felt the meeting on Monday had been most useful and I stated that we would be most happy to meet with him again in accordance with his request.
